

## For Sale

My flying days are over due to health issues so I have a Cessna 182E and an RV-3A for sale. Also am cleaning out the hanger and have some aviation items and other stuff to get rid of if someone can use them... some free, some are probably worth a few bucks.

Johnny Johnson, 772-2401 johnny@wiktel.com

## Right

1962 Cessna 182E, first year of the back window and wide body. Solid airplane, hangered, no corrosion, dual Nav-Comm, transponder, intercom, BAS inertial shoulder harnesses. Set of wheel pants included. 5137 TT, 738 SFRM. \$48,000

## Below

RV-3A, 160 H.P. O320, MT Electric prop, Mk12D radio, AT-150 transponder, VFR instruments, engine monitor. 331 TT, 70 SMOH. \$28,000

## Below

Radial engine Champ project, engine mounted and has run. 150 H.P. engine is new, 9-cylinder engine monitor, no radio. Look and make offer, engine was over \$20K.

## More

Lots of cheap/free stuff... free fridge, hi efficiency gas furnace \$100, older gas furnace free, KR-1 canopy free, portable BBQ free, etc. Need to come by and look.

My hanger is located at 2756 Sikorsky [west side of airport, 3rd hanger in on the north side of the taxilane]... also says 406 on it for Block 4 Lot 6. If someone sees that I'm there [silver Dodge pickup or silver Jeep Liberty] they are welcome to stop in.
